

Todd Fox

Vice President of Distribution

As the eyes and ears of the distribution network, Fox enjoys being highly engaged with TTI Success Insights' network of Value Added Associates. Fox is continuously engaging network partners to uncover areas in which the company can improve.

Fox also leads the TTI Success Insights support team by giving them the tools they need to perform to their maximum capability. Taking a collaborative approach to management, Fox empowers his team to make decisions based on the needs of those with whom they work. Seeking

as many different perspectives possible, Fox maintains the pulse of current market trends and works proactively to anticipate future shifts.

Maintaining the highest level of customer satisfaction is paramount to Fox. Preserving the integrity of TTI SI's assessment solutions and the relationships with those who use them are his modus operandi.

No stranger to hard work, Fox took just seven years to advance from a maintenance position to president of a carpet company in his home state of New Jersey. He brought that old-fashioned work ethic with him when he relocated to Arizona in 2012.

Using TTI SI's valuable assessment tools, Fox is a sponsor to countless veterans suffering from addiction, helping them find a path through recovery.

Fox is the proud father of two. When he's not engaging a member of his team or the network, Fox may likely be found riding his motorcycle, searching for the next great restaurant, or taking a road trip through the Northern Arizona mountains and pines with his fiancée Vicki. A devout sports fan, he is a lifelong fan of New York's Yankees, Giants, Knicks, and Rangers.
